REVIEWS

I would highly recommend this venue to anyone looking for a room to hire. All the staff we dealt with were informative and extremely helpful. They answered all our queries and advised us on the different room hire options and food menus.

If you can, would recommend hiring the whole venue, as it means no one else is allowed into the bar area. We also went with their catering, which was very tasty, but you can provide your own.

Our son had a fabulous 21st birthday party, with nearly everyone commenting on what a wonderful venue it was. All the staff on the night were friendly and professional.

Would definitely use One Stop Golf again. -Cath

We have now had two company Christmas parties at the Premier Lounge, and we love it! Booking is easy, and they are always super helpful. I always have a loads of questions and demands (in the best possible way) and nothing is too much trouble.

The function room is exactly what we need, spacious, modern, always clean and tidy. There is a large dance floor for when the drinks have hit the spot, and we most definitely make use of it! The DJ always plays our requests and is very friendly.

The staff are amazing and make the night super fun. Very friendly and quick at getting people served. The bar prices are very reasonable, the buffet is lovely, good quality food and we just have the best time.

Overall, I would 100% recommend the venue, I am always nervous organising a work event and the staff are amazing at helping me with any query and the do go above and beyond for us. - Laura
